

Mojo Automotive Groundbreaking Lead Generation Software Now With Free Trial

November 22, 2016

November 22, 2016 - PRESSADVANTAGE -

Mojo Global Automotive, a respected lead generation company with clients worldwide has recently developed a lead generation platform that's proven to increase automotive sales in dealerships and has gained massive popularity in a very short period of time. The company is proud to announce that the Mojo Automotive groundbreaking lead generation software is now available with a Free Trial.

Recently Mojo Automotive's Predictable Lead Generation System resulted in \$38k in new car sales in 1 day.

Cory Michael Sanchez and Ira Rosen, co-founders of Mojo Automotive, say: "Our technique employs a targeted, multichannel campaign designed to generate immediate response. The return on this strategy has resulted in an additional 5, 10, or 15 new deals closed over as little as a weekend. We have case studies to show the benefits that dealers such as Ford, BMW, and Mercedes dealers have had."

The System will reach out to contacts from a dealer's database with personal, unique, multi-touch follow-up communications. The Mojo 5-Star success stories truly speak for themselves. "Mojo - The best software ever," says Luda D. on Facebook. "I wouldn't be where I am without Mojo. I have tried everything and Mojo

has generated the best leads for me, without a doubt. Mojo has released an instructional video onto demonstrate how their lead generation system works."

Mojo's case studies prove that dealerships adding the System to their current mix experience a huge increase in inbound calls each and every day, massively increasing their sales figures as well. In each of these case studies, the return on investment has been tremendous. Sign up for a FREE TRIAL at Mojo Automotive today.
