

Liberty Lawn Celebrates Eleven Years In Business

November 18, 2016

November 18, 2016 - PRESSADVANTAGE -

Liberty Lawn & Landscape offers a range of services including lawn care and landscaping. The company was launched in May of 2005 and performs customized services to fit the needs of each customer.

New Braunfels TX: Liberty Lawn & Landscaping and owner, Tray Rohlf are pleased to announce that they have now passed the milestone of eleven years in business. The New Braunfels lawn care company offers more than just the typical lawn and landscaping maintenance services available from most companies in the industry. Today's market is fast-paced and highly competitive so that service above and beyond the typical is required. Each landscape and each customer are different, so Liberty provides customized individual services.

Speaking to an interviewer recently, Owner Tray Rohlf explained, "We offer many different services, including mowing of lawns and other lawn care. We do landscape pruning, de-weeding of beds, fertilizing, and treating lawn weeds and pests, including Fireants Chinch Bugs, Aphids, Fleas, Molds, and Fungus. Call on us for irrigation maintenance and repairs, landscape installation and seasonal color change-out, as well as field shredding. We provide commercial lawn maintenance and residential lawn mowing."

New Braunfels lawn maintenance is able to provide operational coverage from New Braunfels to La Vernia and from San Antonio to San Marcos. The company is primarily a lawn and landscaping maintenance provider, but are also skilled in designing and installing a new landscape for customers. Mulch installation of cedar, red or black-dyed mulch and even recycled rubber mulch if the customer desires it. For commercial customers, Liberty provides backflow testing and repairs, as is required in most municipalities.

Owner Tray Rohlf is a licensed irrigation specialist and is also licensed as a commercial applicator of fertilizers and treatment for landscape pests. The prices are competitive and the customer service is exceptional. The company carries one million dollars for coverage in the event of an accident, but rigid safety practices, mean that creating an insurance claim has not been needed. A free quote is available to those considering the use of landscaping and lawn care services.
