

e-Merge Real Estate Opens New Office In Erlanger, KY

November 21, 2016

November 21, 2016 - PRESSADVANTAGE -

Real Estate Victory, Inc and e-Merge Real Estate partner up to open a new e-Merge Real Estate Office in Erlanger, KY

Erlanger, KY ? e-Merge Real Estate, an Ohio based real estate brokerage with 7 offices surrounding the Columbus, OH market and a focus on full time, experienced and highly trained agents that utilizes technology and training to better support their clients is partnering with NKY based Real Estate Victory, Inc to expand their brand and service offerings in Northern Kentucky.

Founded by Ric Devore, e-Merge Realty started with a core group of 7 agents in 2012. Their goal was to strive for quality not quantity. They set out to employ only full time agents that had a main focus on meeting clients' needs. e-Merge wanted to change the game of real estate by providing the most knowledgeable and professional agents in the market. Not only was education a key component for their successful business model, but creating a family like culture where each and every agent supported one another and was a part in each and everyone's growth.

This mindset led to a phenomenon that grew their company to 142 agents in 4 short years. Not only does e-Merge represent quality of agents, continuous education and a supportive network, they have some of the most competitive commission splits around including up to a true 100% commission package. e-Merge continuously strives for the latest technology and ahead of the curve trends to stay on top of the market, all with no extra cost to the agent. No desk fees, office fees or other fees. Not to mention, e-merge engages in heavy lead generation efforts, the fruits of which are freely distributed among its agents with no referral fees.

Cristen Appleton of Real Estate Victory, Inc is the Principle Broker of the new e-Merge Real Estate office. e-Merge is proud to present the Grand Opening of it's 8th office at 520 Graves Avenue in Erlanger, KY 41018. Coming to you December 1, 2016 from 6-8 pm. The first 10 attendees will receive a door prize. The event is being catered by Chuy's, along with raffles, music and a Q&A for all that are interested in the e-Merge experience.
