Rob Kosberg from Best Seller Publishing says: "Our mission is simple: To create 1,000 best selling authors in the next 5 years and launch them to a life of independence, generous income, and meaningful impact. We follow the three Ps of Publish, Promote and Profit, which we also apply to ourselves. We are living examples of the fact that our system works, and our many clients are further proof of it. We are fast approaching our goal of 1,000 authors in five years, in fact."

Besides their Amazon best seller service, they also have a public relations (PR) component to their program. This element focuses specifically on ensuring that their authors are booked on a range of different media channels. These include television, radio, podcasts, and more. Rob Kosberg himself has applied his arsenal

of tools on himself, and is now a famous best selling author. He currently has nearly 80,000 followers on Facebook at <https://www.facebook.com/robkosbergcoaching/>, and he ensures that they are kept up to date with authors who are working with Best Seller Publishing, in an effort to give back and pay it forward.

Best Seller Publishing also encourages all of their clients to stay in touch and keep them up to date with the developments they experience thanks to the service the company has been providing. Authors are requested to add their comments on the company's Facebook page at <https://www.facebook.com/bestsellerpub/>. Additionally, Best Seller Publisher provides screenshots on their website. Rob Kosberg adds: "Let us know how you are doing, and we will once again put a spotlight on you, getting you even further attention. Your success is our success."
