November 28, 2016 - PRESSADVANTAGE -

San Francisco home buyers firm offers fast, fair and comprehensive home buying services in expanded counties. The service region now includes Fresno, Sacramento, Tulare and Stanislaus Counties.

San Francisco CA: Merritt Home Buyers and Michael Merritt are pleased to announce that the Sell Houses Fast Fresno area firm has expanded its coverage area into four counties. Clients who want to sell a property in Fresno, Sacramento, Tulare and Stanislaus Counties are provided with quality service and top prices for real estate. The company purchases properties in any condition and pays cash. There are no realtors, commissions, fees and no obligation. The transaction can be completed in a very short period of time.

According to Michael Merritt, "We buy houses Fresno sellers want to be free of their property quickly, and for many different reasons. We are a private cash buyer and we can act quickly. The seller will receive a fair offer and can choose the closing date. We will take care of all the costs of the sale. We purchase properties in any condition, location in our coverage area, or price range. We make a fair, all-cash offer for properties in

as-is condition.?

He continues, "Working with a real estate agent can be a frustrating and time-consuming process. The potential buyers may not be able to obtain financing. It can be an unpleasant experience to have people coming through the home during an open house, or a private showing. There can be costs to stage the house and prospective buyers may demand inspections, repairs, and other costly pre-closing tasks."

Some of the many reasons why the seller may want to work with Merritt Home Buyers include a threatened foreclosure, relocation, divorce, tax bill obligations, vandalized property and medical bills requiring payment. A landlord may have bad tenants or simply be tired of the frustrations of property management. A property received in an inheritance may be more trouble than the beneficiary can handle. There may be costly damage due to mold, water or fire.
