

Speaking Empire To Host Thought Leaders Through AMPLIFY Experience

December 15, 2016

December 15, 2016 -
Speaking Empire has announced that they will be hosting an event designed for helping businesses on February 24 to 26, 2017. This will be held in Newport Beach, California, and will host some of the world's greatest thought leaders. Tickets are now available and are expected to sell out soon.

Orlando Gonzalez from Speaking Empire says: "The AMPLIFY Experience will help you understand the critical factors impacting your business right now, then refocus and realign with the business strategy and psychology you need for competing and innovating, in any economy."

The AMPLIFY Experience is an exclusive gathering of high level business owners, entrepreneurs, marketers, world renowned speakers, bestselling authors, leading professionals, doctors, coaches, and consultants. This forms an intimate community of thought leaders. Attendees are men and women at the top of their game. They not only want to achieve more - they want to impact more. Those who want to craft a message that resonates, deliver that message with power, and build a platform that reaches the world, are encouraged to

join the event.

The Speaking Empire has been operating for a number of years, helping various entrepreneurs and business people make the most of their efforts. Those who have worked with them in the past, or have attended events, have been full of praise. "I have attended 3 live training and networking events," says Kevin S. on Facebook. "Each has been challenging, revealing and invaluable. Now, I am participating in Speaking Empire's new extended online intensive workshop. What I hoped would be a solid capstone review has turned out to be a highly engaging, challenging and revealing event. I am one who thinks in big round terms that can be difficult to share; but today I am walking away with a newly discovered laser-like ability to quickly illuminate essential points to engage the attention and imagination of my audiences and handily win new clients. I love it."

The event is designed to help entrepreneurs transform their message into a movement. Speakers will include Dave VanHoose, president of Speaking Empire, and their CEO, Dustin Mathews. Other speakers will be revealed later on.
