

ReNew 1-Day Dentures Announces 12 Days of Christmas Free Turkey Dinner Giveaway

December 01, 2016

December 01, 2016 -

ReNew 1-Day Dentures is celebrating the 12 Days of Christmas by giving away free turkey dinners to local residents in need of anchored dentures.

The holidays are often a difficult time of year for people suffering with missing or failing teeth or those dealing with ill-fitting slip and slide traditional dentures. It's often hard to enjoy meals, or feel comfortable at work or socializing with friends.

"We find that we see more unhappy people come in to our Center during the holidays," says Tom Manoogian, ReNew Director of Sales. "This time of year shines the light more brightly on their dental misery."

To offer help and hope to those in need, ReNew will be asking for local residents to submit their stories on the ReNew website or on its Facebook page detailing why they feel anchored dentures from ReNew would renew their lives.

ReNew Anchored Dentures are dentures supported by dental implants. The ReNew Anchored Denture provides people the ability to get a stable, anchored set of beautiful new teeth at a price they can afford.

ReNew was developed for people who wanted dental implant treatment but were unable to proceed with treatment due to the price. ReNew implant supported anchored dentures are significantly less expensive while still retaining the quality and functionality of dental implants.

Each day during the 12 Days of Christmas, ReNew will reach out to people with educational information and fun events to solicit stories of hope. People who submit stories during the first 12 days of the month will be eligible to win one of three prepared turkey dinners offered by ReNew 1-Day Dentures.
