

8 Figure Dream Lifestyle Leadership Alliance Approves New Member

December 01, 2016

December 01, 2016 - PRESSADVANTAGE -

San Diego, California, December 2nd, 2016 - 8 Figure Dream Lifestyle is the private label business launched by 3 top earners, and they just announced the nomination and approval of member Jay Bezanson to their Leadership Alliance. There are three characteristics that an 8 Figure Dream Lifestyle Leader must possess: they must be a qualified VIP member, they must have achieved real and substantial results, and they must want to contribute to the success of the entire community.

Bezanson started his business in mid-October, 2016, and used the financing option to come in at the \$22k level. Bezanson did his first campaign on October 24th, and has since made three sales totalling \$41.5k - with several more sales pending in financing. Members now have access to Bezanson as resource. Co-Founder Alex Dee says, "he's been all over the chat group addressing questions, and now he'll be part of the 3 way calling/screen share closing system so you can utilize him - after your sponsor - for 3 way (sales calls)!?"

8 Figure Dream Lifestyle explained is a franchise-like, internet-based "business in a box" model. Members access digital resources for their own personal development, include training modules on lead generation,

sales, personal growth, motivation, meditation, and internet marketing. The ability to generate executive level income is achieved by selling one of 5 available packages; multiple product packages allow members to purchase the one that best suits their needs.
