Dr. Sina Reangber with Lifetime Smiles in Haymarket, Virginia, has announced that her dental practice is now providing a wide range of family dentistry procedures to ensure the health of patients' teeth and gums no matter what their age. The Haymarket dentist states that they accept patients of all ages, and offer a number of services from general dentistry to cosmetic procedures.

"We offer a range of dental services designed to meet the needs of every patient," says Dr. Reangber. "Our goal is to ensure that your entire family has healthy teeth and gums, and you can call and schedule your appointment for a complimentary consultation today."

The dentist in Haymarket, VA, states that her clinic provides general dentistry, as well as cosmetic and restorative procedures. She points out that not all dental clinics in the Haymarket area offer the range of services that patients can expect from Lifetime Smiles, and that the clinic accepts patient from Gainesville, Bristow, Manassas, and other nearby locations.

"It's never too late to get a beautiful and healthy smile," Dr. Reangber says. "Whether you're looking for a

dentist Haymarket Va residents can rely on, or you need fillings, extractions, or just a routine cleaning, we're here to provide you with a positive experience and the smile that you have always wanted."

The dentist states that the clinic also offers patient comfort and sedation dentistry for patients who typically feel anxious about dental visits. She says that new patients can trust the dental office to ensure their complete comfort throughout the evaluation as well as any procedures that need to be done. Sedation dentistry has become a popular way for many patients to obtain necessary dental care without the fear and anxiety typically experienced when visiting the dentist. Dr. Reangber says that new patients will receive a thorough exam and evaluation, giving them time to discuss their concerns. The cosmetic dentist Haymarket VA residents can go to states that staff members will take the time to listen to patients and a plan of care will be determined based on each individual patient need.

Lifetime Smiles uses state of the art and updated technology to care for each patient. Dr. Reangber states that unlike most other dental practices in the region, her clinic has advanced equipment that can help to eliminate many problems that patients face when obtaining proper dental care.
