December 05, 2016 -

Troy Warren the HOST of LetsTalkBusinessRadio.Com announced today it will start airing December 18, 2016 on Sacramento?s KSTE 650 AM Talk Radio. Let?s Talk Business Radio is rolling out its Local Business interview series in an effort to expose top rated businesses within the Sacramento area.

Warren commented, ?Especially in the worst economy our country has ever known, our interview series will help local Sacramento businesses tell their story and expose their goods and services, while at the same time Sacramento consumers can gain confidence in conducting transactions with these top rated Sacramento local businesses. This creates a thriving ecosystem where all parties win.?

These local Sacramento businesses participating in the interview series will also be partnering up with each other and referring great deals to partner business customers as well. Each business is exclusive in the network, non-competitive, serves the same type of customer, and thus offers up a private network of the best

deals on goods and services in Sacramento from the top rated merchants.

Let?s Talk Business Radio is rolling out eBarterExchange as part of its network where businesses and consumers alike not only get the best deals, but also participate in the Gas & Grocery Rebate program and earn significant rewards to shop in the eBarterExchange network on items they normally would have paid cash for.

Sacramento eBarterExchange Ambassador Eli Johnson said, ?I am so proud to represent the Sacramento eBarterExchange network and share with both businesses and consumers how they can cut expenses and at the same time leverage and increase their buying power by 50% or more. This is truly needed for the economy we live in currently. I love what the interview series will do for the Sacramento businesses and in turn the consumers benefit too.?

Additionally, Let?s Talk Business Radio is starting interview series for local business owners on WGST Atlanta, KPRC Houston, WIND Chicago, WOR New York, WFLF Orlando, KEIB Los Angeles, KQTH Tucson, WTKK Raleigh as well as many other metropolitans coming soon.
