

SI Carpeting Celebrates 36 Years In Business

December 06, 2016

December 06, 2016 - PRESSADVANTAGE -

The Staten Island-based carpet offers a range of services including carpet installation, cleaning and repair, rug cleaning and upholstery cleaning. The menu of services also includes organic cleaning and mattress cleaning.

Staten Island NY: SI Carpeting is pleased to announce that the firm has completed their 36th year in the business of cleaning and repairing carpets and rugs in the Staten Island area. For residential and commercial rug cleaning Staten Island customers can depend on the professional standards and attitude demonstrated by the experienced technicians who perform the carpet and rug-related tasks. The company also cleans upholstery, drapes, blinds and mattresses. Bed bug elimination is another service offered by the firm.

A spokesperson for the company explained, "At SI Carpeting, we not only clean your individual, precious items we clean them uncommonly well. We use the best cleaning materials in the business, along with advanced modern techniques that allow our on-site team of professionals to clean a wide variety of fabrics. We handle all types of carpet cleaning Staten Island situations in the cleaning, repair, restoration and installation services. Our organic methods and products are the way to ensure the health of your family."

For area rug cleaning Staten Island homeowners and businesses can take advantage of the reliable free pick-up and delivery service for area rugs and Oriental rug cleaning. Oriental rugs represent a sizable investment in the decor and appearance of the home, and cleaning them requires special handling. The trained and experienced professional team is able to provide the expertise necessary to take care of valuable Oriental rugs.

An entire treatment program is designed to care for Oriental area rugs. The firm takes pride in the superior cleaning facilities and modern, humidity controlled drying location. These essential features provide the area rugs with the care and cleaning necessary to protect their looks and their longevity. No harsh methods are used, so that delicate fibers are not damaged during the cleaning or drying processes. Once the cleaning is completed, the rug is delivered to the customer.
