

Burr Ridge Dentist Announces Opening

December 09, 2016

December 09, 2016 - PRESSADVANTAGE -

1st Family Dental of Burr Ridge in Illinois has announced that their newest dental office will be opening on December 14, 2016. The dental practice provides implants and orthodontics, as well as general dentistry services and procedures.

Vicky Khawaja with the dental practice says, "We're pleased to announce that our new Burr Ridge, Illinois office will be opening this month and that we've already begun accepting new patients. We will be providing the same quality dental services that 1st Family Dental is known for at our other 11 locations."

Khawaja states that aside from dental implants and various other cosmetic and restorative dentistry procedures, the office will also cater to general dentistry services to help patients of all ages maintain healthy teeth and gums. She states that the new office location will be in the Village Center, near a number of popular destinations including Lifetime Fitness and Starbucks.

"We want everyone in the area to come out and have a look at our spacious, beautiful new waiting area," says Khawaja. "Our new office is equipped with only state of the art technologies and a number of innovations that will help our staff to ensure you have the brightest, whitest, and healthiest smile possible."

1st Family Dental offices provide quality dental care that includes all restorative, cosmetic, and general dentistry services as well as emergency care. Specific services at the new office will include braces, dentures, general cleanings and teeth whitening, and a number of other procedures.

Khawaja states that with the convenience of their new location and the reputation that the company has for providing quality care, there is no reason that patients in the area cannot enjoy healthier and more beautiful smiles. She states that she hopes everyone will take the time to schedule an appointment or free consultation and learn more about the range of services that they will be providing.

Those interested in learning more or in booking an appointment with the new dental clinic, especially with regards to dental implants, can do so on their official website at <http://burrridge.1stfamilydental.com/>.
