Cheyenne, WY jewelry store Baubelle, is proud to announce that they have launched a new inspirational bracelet. The bracelet makes for a great holiday gift, not in the least due to its affordability. Uniquely, the bracelet is suitable for people with sensitive skin. The new bracelet is part of a wider Baubelle bracelet collection, which also includes the "Be" and the "She Believed She Could So She Did" bracelets.

Baubelle's Sarah Evren says: "My new 'Live the Life You Love' bracelet allows women to make a true fashion statement, while at the same time feeling empowered, resilient, and strong, gaining a true love for life again. I have tried to create something that is both unique and stylish and I'm happy to see that it is already becoming so popular."

Both the bracelet and charms are plated in genuine 18K gold, rose gold, or white gold and will not rust nor tarnish. As the bracelet is fully hypoallergenic, it does not cause itchiness or irritation, nor will it cause skin discoloration. Hence, it is perfect for people who suffer from metal allergies.

The Live the Life You Love bracelet is expandable, adjustable, and stackable, and therefore it is suitable for

older teens and adult women. The message on the bracelet is meant to empower and it makes for a beautiful gift thanks to the signature turquoise and gold slide out Baubelle box with a shimmery fabric pull tab.

Baubelle stands behind the quality of their products, and they offer a whole year money back guarantee, which can be applied, no questions asked, by either the purchaser, or the person to whom the bracelet was given to. Sarah Evren states: "We aimed to create something beautiful, with the quality of fine jewelry, but without its expensive price tag. We believe we have achieved that, which is why we are confident about offering the 100% money back guarantee for a full year."

The adjustable bangle bracelet, as well as the other pieces of fashion jewelry, are currently available exclusively on Amazon.com. While only recently released, it has already received numerous positive reviews.
