December 14, 2016 -

Troy Warren the HOST of LetsTalkBusinessRadio.Com announced today it will start airing January 7, 2016 on Las Vegas KDWN 720 AM Talk Radio. Let?s Talk Business Radio is rolling out its Local Business interview series in an effort to expose top rated businesses within the Las Vegas area.

Warren commented, ?Especially in the worst economy our country has ever known, our interview series will help local Las Vegas businesses tell their story and expose their goods and services, while at the same time Las Vegas consumers can gain confidence in conducting transactions with these top rated Las Vegas local businesses. This creates a thriving ecosystem where all parties win.?

These local Las Vegas businesses participating in the interview series will also be partnering up with each other and referring great deals to partner business customers as well. Each business is exclusive in the network, non-competitive, serves the same type of customer, and thus offers up a private network of the best

deals on goods and services in Las Vegas from the top rated merchants.

Let?s Talk Business Radio is rolling out eBarterExchange as part of its network where businesses and consumers alike not only get the best deals, but also participate in the Gas & Grocery Rebate program and earn significant rewards to shop in the eBarterExchange network on items they normally would have paid cash for.

Las Vegas eBarterExchange Ambassador Jerry Kmiec said, ?I am very excited to introduce the Las Vegas business owners to a proven advertising model that hits a bulls eye on their target 100% of the time.?

Additionally, Let?s Talk Business Radio is starting interview series for local business owners on WGST Atlanta, KPRC Houston, WIND Chicago, WOR New York, WFLF Orlando, KEIB Los Angeles, KQTH Tucson, WTKK Raleigh as well as many other metropolitans coming soon.
