Semantic Mastery Announces Release of MasterCLASS: Monetization in SEO on Amazon

June 02, 2015

June 02, 2015 - PRESSADVANTAGE -

Semantic Mastery, an online group comprised of online marketing professionals, is pleased to announce its most recent tool to help interested parties succeed in online business. The book titled "MasterCLASS: Monetization in SEO" is based on the information presented in the group's best-selling MasterCLASS sessions and is aimed at teaching new and even seasoned SEO professionals how to scale their businesses and increase profits.

MasterCLASS: Monetization in SEO provides an introduction to core SEO concepts with the goal of monetizing services and generating profits. "This book will help anyone become profitable quickly while utilizing the power of IFTTT networks and discovering what their monetization path should be," says Adam Moody, Semantic Mastery Co-Founder. "Reading the MasterCLASS book will allow anyone to quickly become profitable and help them focus in order to better succeed"

The book is available through Amazon Kindle, and those who purchase it also receive a discount for the MasterCLASS web series available on the Semantic Mastery website. The full series includes hours of in-depth video lessons and access to live webinars that discuss various aspects of SEO marketing. With the

live webinars, participants can even gain advice and insight that pertains to unique issues in their industries in real time.

From June 2 to June 5, MasterCLASS: Monetization in SEO will be offered on Amazon Kindle entirely free of charge, at <http://www.amazon.com/dp/B00Y3A9ALI>, and will still include the discount for the web series and webinars. The Semantic Mastery team hopes this will generate interest not only in the book but also in the SEO-education services offered on its website. Between the introductory and intermediate material regarding SEO marketing in the new Amazon book and the more advanced and targeted information on the website, anyone with the interest and determination to learn can become equipped with the tools to succeed in this burgeoning field.

Business owners and prospective entrepreneurs with the desire to build a profitable online presence can purchase and download MasterCLASS: Monetization in SEO through the Amazon website. If, after reading the new book, budding SEO professionals want to expand their knowledge in this field further, they can refer to the Semantic Mastery website, where the MasterCLASS series on which the book is based, live webinars, a blog, and other features are also available.
