

Arc Tomato Slicer Reaches Top Recommendation On Amazon

February 11, 2017

February 11, 2017 - PRESSADVANTAGE -

SF Group in Pasadena, California, previously launched their Arc Tomato Slicer onto the Amazon marketplace. Since that launch, the tomato slicer has been considered as one of the most recommended products of its kind on the marketplace and currently has a good number of positive reviews.

Vincent Nell with SF Group says "We are pleased with how well-received the tomato slicer has been. Our customers are finding it a very good option for cut tomatoes properly and consistently."

The tomato slicer is available on the Amazon marketplace and can be seen at <http://amzn.to/2kPOOGe>. Vincent Nell states that it offers sturdy build that stays steady and will not bend easily.

"It will hold your tomatoes firmly without slipping," Vincent Nell states. "It's both easy to use and simple to clean."

The tomato slicer is not available in stores according to SF Group, and the company states that it works well in the home or in a restaurant's kitchen. It can be used to slice and dice tomatoes into the perfect shape.

The tomato slicer will greatly save time. The divider will guide users to cut the tomatoes in a proper and orderly fashion.

Reviews on the Amazon marketplace praise the tomato slicer, saying that it is one of the best on the market for slicing tomatoes in neat, consistent shapes. The product currently has a near five-star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company's Amazon seller's page.
