December 19, 2016 -

Party of Four (Room for one More?), a home and lifestyle blog written by mommy blogger Kelly Leto, has launched its 2016 Holiday Gift Guide. Among the products that are featured include Jenaluca?s premium 5-blade Herb Scissors, which is rated among top kitchen shears on Amazon.com.

Launched in November, the holiday gift guide includes a range of top-quality homecare products, personal items and services that people can give as gifts. Jenaluca?s herb scissors was added as a result of its immense positive feedback received from users on Amazon, and is listed as the perfect gift for cooks and ?foodies.?

Made from heavy duty stainless steel, the scissors are used for quick and easy preparation of kitchen herbs. It is designed to simplify the process by eliminating the need for a chopping knife, which can be both time-consuming and dangerous. Two snips from the herb scissors is equivalent to 10 knife chops and it comes with a soft-grip TPR handle, which provides comfort and control for users. The product is also easy to

clean and care for; it comes with a protective sheath for the blades, which is equipped with a cleaning brush, and the scissors is also dishwasher-safe.

Since being launched on Amazon, the product has been reviewed just under one thousand times and has an overall 4.7 out of 5 stars. Shoppers have praised it for its hassle-free features and kitchen-friendly benefits.

?They make life so much easier. No more chopping and bruising my herbs. They cut quickly and cleanly. I find myself using fresh herbs more in my cooking as it's no longer a chore with these scissors,? said Karen Pierson, a verified Amazon reviewer.

Many shoppers have made similar comments about the herb scissors from Jenaluca, with others praising it for being able to be used in other ways, such as slicing up meats and for art and craft work.

The 2016 Holiday Gift Guide from Party of Four (Room for one More?) allows its readers to access the herb scissors at a discounted cost. The product is displayed with a link that leads directly to its Amazon page.
