

Indianapolis Retirement Income Planning Expert Announces New Move and Expansion Plans through Partnership

May 29, 2015

May 29, 2015 - PRESSADVANTAGE -

Indianapolis, IN: With nearly a decade serving families living in the Indianapolis area and a combined 75 years experience between founders Bob and David Garman, Garman Investment Group announces its move to a new office located 3815 River Crossing Parkway, Suite 100 Indianapolis, IN 46240.

Along with this new move, the Garman Investment Group staff is excited to make known their new strategic partnership with local independent property and casualty agency, Associate Insurance Services. The two companies will be working together to offer their clients the most competitive rates on their insurance as well as maximize their guaranteed income in retirement.

"Our goal is to provide our clients who are in or approaching retirement with solid, easy-to-understand financial and estate planning advice to arm them with the knowledge needed to make sound decisions," says retirement income planning expert David Garman.

Unfortunately, most people shortchange themselves and never seek out professional advice from a financial advisor. Over the course of retirement, this can cost a married couple tens of thousands of dollars in lifetime income that proper planning could have provided.

"We're here to help families plan," says David. "If we can help our clients build, manage and preserve their assets, experience financial confidence and increase cash flow while minimizing taxes, we've done our jobs and well!"

David Garman, founder and financial income expert at Garman Investment Group also holds several insurance licenses and insurance brokerage agreements with multiple insurance companies. As a noted public speaker, David's clients consistently compliment him on his ability to make the complicated world of financial planning simpler. David, while representing Garman Investment Group, has given over 100

investment presentations to groups throughout Indiana.

Garman Investment Group's new address is 3815 River Crossing Parkway, Suite 100 Indianapolis, IN 46240. From I-465 take Keystone Avenue Exit South. Take 86th Street Exit. Turn left onto 86th Street to 2nd stoplight River Road. Turn left to River Crossing Parkway. Turn left again to Crowe Building 3815. We are on the first floor, Suite 100 to your left when you enter the building.
