

Langley Painting Contractors Celebrates Decade of Service

December 21, 2016

December 21, 2016 - PRESSADVANTAGE -

Langley Premier Painters offers professional painting services for residences and commercial applications. The locally owned firm has been in operation for more than ten years.

Langley BC: Langley Painters is pleased to announce that the company has reached the milestone of ten years in business. The professionals associated with the firm are 100 percent licensed and fully insured. This skill set allows for fully guaranteed work for each project and each customer. The recommendation for customers is to utilize the skills and experience of the professionals rather than to be unsatisfied with a do-it-yourself job. The correctly done paint job is sure to make a difference in the final result.

According to a spokesperson for the firm, "Whether the job consists of a single room, or an entire building, the professionals are able to handle the work with skill. Only top-of-the-line exterior or interior paint is used. We use environmentally friendly green options where appropriate. We have been serving the lower mainland area for more than ten years with top quality work and products. We offer a free price quote to prospective customers."

LPP is a proudly locally owned firm with more than a decade of experience in Langley and the surrounding communities of White Rock, Surrey, Aldergrove, Fraser Valley, Fort Langley, Coquitlam, Delta, New Westminster and Vancouver, as well as Maple Ridge, Richmond and Lower Mainland. The team works with commercial as well as residential projects in all of these areas. Customers who mention the website upon purchase will receive a limited time ten percent discount.

In addition to the general painting and other services, Langley can do an excellent job on commercial offices, hallways, floors, ceilings and baseboards. Residential sheds, barns, town homes and apartments are painted both as repaints and new construction. The professional team does custom color consults and drywall patching and finishing. More skilled tasks which can be completed by the professional team include Italian and stucco plaster finish, photo transfer and patina etch.
