December 29, 2016 -
Centralia, Wash. ? Express Employment Professionals, a leading employment agency in Centralia, WA, wanted to assist those in need of employment solutions this holiday season.

Christmas is the perfect time for giving and sharing precious moments with close friends and family. It?s also one of the most expensive times of the year, especially for those living in a tough job market.

?Christmas is definitely my favorite part of the holiday season, but not only because of the lights, presents, and decorations,? Branch Manager Matthew Swena said. ?Because we get to help so many people during a time when expenses are high and budgets are low.?

The staffing agency in Centralia, WA, understood the employment needs in the community and wanted to do everything possible to ensure each and every resident could put a present under the tree for a loved one. So for those that were looking to earn a little extra cash for Christmas contacted Express.

?We here at Express wished the community a very special and safe Christmas,? Swena said. ?We knew it

would be a great one and the perfect way to end a successful year.?
