January 09, 2017 -
Jim Butler, a Houston DWI lawyer, now only caters to each and every client on a personal basis. At the same time, the Butler law firm has introduced payment plans, so that every client can be helped. The firm understands how detrimental the times facing a DWI can be, and they want to alleviate as much of that burden for them as they can.

Jim Butler himself says: "Facing a DWI or DUI charge is incredibly stressful. I want to make sure that my clients are represented fairly and that they receive the treatment that they deserve. I understand that these are difficult times, and I endeavor to make it as painless as possible."

Butler is one of the few attorneys who cater solely to DWI cases. As a result, all of his work is dedicated solely to removing as much of the embarrassment that clients are facing. He also ensures that the entire process will be completed smoothly. This is one of the many reasons why he is known as the best DUI attorney Houston has to offer.

Those who have been represented by Jim Butler have praised him for his dedication, attention to detail, and fantastic work. "Jim worked hard on my case for 8 months and it finally got dismissed," says Kevin on AVVO. "Not only was he on top of my case, he communicated his thought process to me at all steps so I always

knew his plan and where the case was heading. I had a very stressful 8 months, but I trusted Jim to fight for me because I could tell he cared personally about me and my case. I will be forever grateful for Jim's efforts and his care, and I cannot recommend him highly enough." Butler also takes the time to respond to each review personally.

One topic that Butler is focusing on is drunk driving advocacy. Hence, he also works tirelessly at reducing the incidents of drunk driving in Houston, thereby making the community better as a whole. Nonjudgmental and emphatic, he will represent each client individually and with the same attention to detail.
