South Gloucestershire Networking has announced the launch of new monthly events for local businesses. Taking place at Bella Italia, Abbey Wood Retail Park at Filton BS34 7JL, the first South Gloucestershire Networking event of 2017 will be held on January 17, 2017, and will run from 7:15 am to 9:30 am. This event is set to be held every third Tuesday of the month thereafter. Free four-hour car parking is available in the ample retail centre car park and right next door to Filton Abbey Wood train station platform for easy access. Those who need more information can check out the Facebook page at <https://www.facebook.com/groups/SGNetworking/>.

"At an incredibly reasonable price of just £11.00, plus the small Eventbrite fee, making the total £12.28, this networking event is designed with small businesses and start-ups in mind," says Brian Bingham with South Gloucestershire Networking. "There are no membership fees or hidden costs. The South Gloucestershire Networking events will give local business owners the opportunity to increase their networks and grow their business."

The networking events are expected to attract business owners based in South Gloucestershire and beyond, to network over breakfast at Bella Italia. Breakfast choices include full English, vegetarian cooked breakfast, fruity pancakes or cereal and of course, proper coffee and fresh fruit juice.

"We welcome business owners to join the South Gloucestershire Networking Facebook Group before attending to get to know each other in an informal setting," says Brian Bingham.

Brian points out that Bella Italia is a great venue for those new to networking as the set-up is cozy and familiar, a step away from more traditional networking. For those who are new to business networking and a little nervous, this is a very friendly event designed to help with that transition. He says that more experienced networkers are of course, also very welcome. This new venture is about collaboration between businesses in South Gloucestershire and beyond.

South Gloucestershire Networking is run by a team of experienced business networkers and business owners including: Brian Bingham, Director at OdysseyWE; Louise Smith, Managing Director at Louise Smith HR Limited; Simon Carlin, Director of The Lost Coin Financial Planning Ltd; Martin Powell, Managing Director at Heron Way Group; Paul King Partner at Innovative Strategic Marketing LLP; Liz Stubbs of Refresh Holistics; and Kimba Cooper Owner of Kimba Digital Marketing.
