

Broadway Carpet NY Celebrates 36 Years In Operation

January 03, 2017

January 03, 2017 - PRESSADVANTAGE -

New York-based carpet cleaning services have been providing services to customers since 1980. The professional team offers area rug restoration, cleaning and repair.

New York NY: Broadway Carpet NY is pleased to announce that it has been providing carpet, rug, upholstery, furniture and window treatment cleaning services for 36 years to customers throughout the New York City area. Area rug cleaning and restoration has been a key element of the services provided by the company. Oriental rugs are a beautiful addition to houses and offices, but they can be difficult to care for and maintain them. Ensuring that the fiber and the texture remain intact requires careful attention and maintenance.

Area rugs can represent a sizable investment in the value of a home or business. Failure to care of the Oriental, Navajo, Persian, Silk, Sumak rugs may cause the color to migrate, the fiber to be damaged and the entire rug lose its real value. Restoration of the rug is possible with the right equipment and processes. The company will gladly pick up and deliver the restored carpet to the home or business of the customer.

According to a spokesperson for the firm, the rug cleaning Manhattan restoration services are performed on a variety of different types of rugs. They include flat-weaved, hooked, Karastan, machine made, end finishes, side cording, fringe repairs, secure fringe, surging and binding, Oriental rugs can be patched or rewoven, backing repairs for area rugs and correction of fraying, crimping or bunching. The services include restoration of brightness and color. Services are suitable for tufted, wool, shag, cotton and synthetic fibers.

Area rugs can be dirt magnets. Anyone with sensitivity to dust, mold spores or other organisms in the fibers and backing of the rugs understands the need to clean the rugs periodically. Repair, restoration and cleaning of the rugs will help to prevent allergic reactions. Cleaned and repaired area rugs help to make them last longer. The fresh appearance will help to maintain the value and aesthetic appeal of the area rug in the home or office.
