Network marketing teacher and coach Ray Higdon has recently announced an upcoming Personal Branding and Marketing Bootcamp. The event is set to take place in Orlando, Florida, at the Orlando JW Marriott and will run from February 10 - 12, 2017. The event is designed to provide network marketers with information on how to brand themselves and grow their teams.

"It's going to be a phenomenal three days," says Ray Higdon. "We are going to learn so much together that will perfectly complement your existing marketing campaigns and help you to take those campaigns to new levels of success."

The event will be a live immersive event, according to Higdon, where marketers will learn from select marketing experts who will share their secrets for successful network marketing. Those looking for location information about the event or other Ray Higdon events can view his Facebook page.

"You don't just sit still in business," Higdon says. "You have to constantly be shifting, constantly be moving, and constantly be growing. We want to help you to learn how to ensure that your business doesn't become

stagnant."

Other topics include how to use social media to grow your network marketing team, how to create content that gets traffic and leads and all of our secrets around getting more traffic and even how to use Facebook advertising to grow your email list and get more people to join your Network Marketing team.
