January 13, 2017 - PRESSADVANTAGE -

Pensacola, Florida based professional employer organization (PEO) Landrum HR has announced recently that Company President, Britt Landrum III, has been elected as Vice Chairman and Industry Director of the APEC Board. APEC is a non-profit organization, which was set up by the Employer Services Assurance Corporation to develop automated solutions for the PEO industry. Landrum's initial two-year term began on December 30, 2016.

The Landrum HR team offers many years of experience in the PEO industry, with most of their staff carrying professional certifications in a number of areas. Britt Landrum III currently serves as President of Landrum HR. Landrum began working with the company upon graduation from Oglethorpe University in 1992. He is certified as a Senior Professional in Human Resources and also carries a Microsoft Systems Engineer certification. His experience with the company over the past 20 years covers sales, technology, operations, and management. Those who need more information on Landrum HR and their services can view their Facebook page.

"I'm excited and honored to serve as Vice Chairman of APEC (Alliance for PEO Electronic Compliance). The operational efficiencies gained by APEC subscribers in maintaining compliancy with the myriad of multi-state regulations will enable PEOs to both protect and grow their businesses, which is the exact same goal that

PEOs also have for their clients." says Britt Landrum III.

In addition to being elected as Vice Chairman for the APEC Board, Britt Landrum is also an active board member in the National Association of Professional Employer Organizations serving as Chair for the Operations and Technology Planning Committee. He is Secretary of the Executive Board of PayPlus Software, a provider of payroll software and solutions, and a past board member of Employer Services Assurance Corporation, a financial assurance program for the PEO industry.

Those interested in speaking with Landrum HR about their PEO, consulting and staffing services are encouraged to contact one of their five locations.
