

'soFISHticated Knots Pro' is now available for free on the App Store and the Android Market

January 17, 2017

January 17, 2017 - PRESSADVANTAGE -

Dignitree offers a helpful new app which demonstrates some of the most important fishing knots. The personal pocket helper tool has step-by-step instructions and images to show the DIY crafter how to create various knots.

Dayton OH: Dignitree is pleased to announce the launch of their new app designed to provide easy to follow instructions for tying some of the popular knots. Tying a fishing knot is an important and essential skill of fishing. For those who are fascinated with every aspect of the art and craft of fishing, the app consists of a selection of popular fishing knots in various categories which include Loops, Joining Lines, Hook and Tackle Knots.

Over centuries, the history of fishing has included continuous evolution and improvement of lines and knots tied in those lines. Whether for nets or rod-and-reel fishing, knots are a crucial part of the discipline. Knot tying instructions are provided for simple or more complex knots.

The app released by Dignitree is soFISHticated Knots Pro and can be found on iTunes and Google Play Store. Optimized for both tablet, and smartphone usage it contains step by step instructions with clear, colorful photographs in the various categories of knots. Once installed, the valuable content can be easily accessed without an Internet connection. The visual steps are easily accessed by swiping to move backward or forward. Interface with professional graphics is updated and refined on a regular basis.

In addition to the knots guide, the app contains some bonus material that will make it even more attractive to the angler or knot enthusiast. Fishing tips and tricks have been passed from one angler to another for as long as there have been people who enjoyed fishing. Not all tips are reliable for everyone. In some instances, they are only intended to sell a product of one type or another. The app includes tips that are practical, efficient, simple and designed to help catch more fish. The bonus content reflects dozens of ideas which contribute to increase the day's catch. Experts have carefully reviewed all the material to incorporate current feedback. The Dignitree store website has an exclusive limited edition (not available in stores) fishing collection of clothing/apparel, mugs, iPhone cases and much more.
