Tire Dealer In Pensacola Announces New Tire Shipment

January 19, 2017

January 19, 2017 -
Butler's Tire & Accessories in Pensacola, Florida, recently announced the arrival of a new shipment of tires in a variety of sizes. The company is a premier supplier of Pensacola tires and states that they now have more than 2,000 tires in their inventory.

"Our warehouse is filled with tires that include singles as well as pairs and complete matching sets," says Jim Butler, owner and founder of Butler's Tire & Accessories. "We are sure to have the exact size you need and our prices are always affordable."

The tire division of Butler Auto Recycling was established in 2009 as the parent business was allowed the opportunity to provide specialization in used tires and auto accessories. The company states that they have recently received a wide number of used tires in excellent condition, and that they offer tire installation Pensacola residents need, as well as sales of various products.

"We use a computerized inventory system that allows us to keep track of the tires that we have installed so you always get the most up to date inventory and quote," Butler says. "We also have a stock of factory wheels if you have a damaged rim or just want to change the look of your vehicle with different wheels than what it rolled out of the factory with."

This tire dealer Pensacola customers can depend on can be contacted for more information about pricing and to learn what specific sizes and tire brands that are currently available. Jim Butler says they offer installation of tires from 12 to 22 inches as well as flat tire repair and have a selection of batteries, hubcaps, and various other aftermarket products available.

"We can help you completely change how your vehicle looks or just sell you the parts to repair it, whatever you need," says Butler.

Jim Butler says that the company receives regular shipments of tires so if they do not have a specific size or brand in stock, customers should check back as their inventory changes periodically. The new shipment

includes most sizes and Butler says that they have also received new aftermarket center rings and various other products to help customers stay safely on the road.
