January 17, 2017 -

Troy Warren, the host of LetsTalkBusinessRadio.Com, announced today it will start airing January 22, 2017 on Boston WMEX 1510 AM Talk Radio. Let?s Talk Business Radio is rolling out its Local Business interview series conducted with co-host Michael J in an effort to expose top rated businesses within the Boston area.

Warren commented, ?Especially in the worst economy our country has ever known, going into 2017, our interview series will help local Boston businesses tell their story and expose their goods and services, while at the same time Boston consumers can gain confidence in conducting transactions with these top rated Boston local businesses. This creates a thriving ecosystem where all parties win.?

These local Boston businesses participating in the interview series will also be referring exclusive deals listeners won?t find anywhere else in Boston. The deals are incentivized and come with an equal amount of Gas & Grocery rebates. These rebates are very useful because everyone is putting the nozzle in the

tank and going to the grocery store.

Let?s Talk Business Radio is rolling out eBarterExchange as part of its network where businesses and consumers alike not only get the best deals, but also participate in the Gas & Grocery Rebate program and earn significant rewards to shop in the eBarterExchange network on items they normally would have paid cash for.

Boston eBarterExchange Ambassador John Estabrook said, ?I am very excited to introduce the Boston business owners to a proven advertising model that hits a bulls eye on their target 100% of the time. The first of many business owner interviews on air will be with Dr. Nancy Zare, owner of RapportBuilderZ.com.?

Let?s Talk Business Radio is headquartered in Evanston, IL. Dione Balingit, VP of Operations said, ?The first quarter of 2017 we?re preparing for servicing over 50 Marketplaces across the USA.?

Additionally, Let?s Talk Business Radio is starting interview series for local business owners on KKNT Phoenix, KTTH Seattle, KQTH Tucson, WMEX Boston, KDWN Las Vegas as well as many other metropolitans coming soon.
