

Restaurant & Cafe Supplies Online Releases New Line Of Walnut Table Tops

January 24, 2017

January 24, 2017 -
Restaurant & Cafe Supplies Online has announced the addition of a new line of walnut table tops to their furniture selection. The new table tops are butcher block style and are now available to order via the company's website.

"Our solid walnut table top is a beautiful table top with a varying grain pattern and a rich color," says Doug Stoutenburg, founder of the company. "It is the perfect table top option if you are looking for elegant decor for your restaurant or cafe."

The restaurant supply company provides a variety of seating and table options for restaurants and regularly adds new furniture pieces to their collections to meet customer demand. Stoutenberg says that customers have been pleased with the new addition of their walnut table tops, which provide an alternative to their best-selling reclaimed wood table tops.

"We know that you want furnishings that are going to wow your customers," Stoutenberg says. "This collection of walnut table tops is designed to do just that. From the rich colors to the elegant design, we are

certain that you will love it as much as we do."

Restaurant & Cafe Supplies Online is a small locally owned company that is dedicated to meeting the needs of restaurants and coffee shops with regards customer seating and tables. The company offers a variety of tables and chairs in addition to other accessories for those in the food service industry.
