

"Run and Change Your Life (Second Edition)", An Amazon Best-Selling Book, is Free For One More Day (01/27/2017)

January 26, 2017

January 26, 2017 - PRESSADVANTAGE -

Best Seller Publishing announces the release of Josue Rojas' new book, *Run and Change Your Life (Second Edition)*. It will be available for free download in the Amazon Kindle Store for one more day on January 27th.

Everyone can be considered runners in life. People must have goals to achieve, whether they are business, job, carrier, finding the right person to start a family with, or reaching an economic and social level, among other goals. In order to get them, they must make the first step.

To figure out how to overcome difficulties that may appear on the path, people should only proceed with the certainty that they will achieve what they proposed and believe that they'll get it and that any obstacle or mental cluster will be overcome with faith, says Rojas.

The race of life is to know how to run it and to be focused on the goal. It will teach how to deal with the trials when tiredness and pain that can come with it. People may change their steps or pace but never their vision

toward their goals or dreams. Take a pause to refresh oneself, to catch one's breath, or to deeply remove habits that may be burdens or obstacles that hold one from advancing.

Run and Change Your Life by Josue Rojas will be free and available for download on Amazon for 1 more day (01/27/2017) at: <https://www.amazon.com/dp/B01MZ1JM0R>. Run and Change Your Life has a 4.6-star rating on Amazon.com. Here's what some people are saying:

How the author narrates his running experiences was like a coach encouraging a rookie runner to persevere despite the stumbling blocks along the way. This is a good book to read and it's quite informative. ? Fiona Lane

This book is the complete guide to running and fulfilling one's dreams. The author is sure to change lives and motivate with his inspiring messages. Everyone needs to give this book a read to take steps in the right direction when it comes to changing their lives for the better. ? Bernard A.
