

Auto Body Collision Repair Shop Expands Service Area To Odessa Texas

January 24, 2017

January 24, 2017 - PRESSADVANTAGE -

Auto Body Collision Repair Shop has announced that they are now expanding their services to include collision repair for those in the Odessa, Texas area. A spokesperson for the company announced recently that the new services are available in Odessa immediately.

"We want to be known as the best auto body shop in Odessa," says the company spokesperson. "We will provide our Odessa customers with the same quality auto repairs that they have enjoyed in our original location for a number of years."

The company states that they offer a wide range of auto body repairs, which are designed to help return a vehicle to its original state after an accident. The company spokesperson says that while they cater to cars involved in accidents, they can also work with customers who want to change their vehicles for one reason or another. The company wants to establish a reputation of being the auto body shop in Odessa Texas that people can go to for comprehensive auto repair services, including everything from general auto detailing to dent removal.

A customer of the auto repair shop states that they are, "Hands down the best around; fast, affordable, and very professional. We will not use anyone else."

The company states that they strive for overall customer satisfaction, which is one reason that they decided to expand their service area. They state that they can assist more customers and urge customers to learn more about them and the services that they offer by visiting them on their official website at <http://autobodycollisionrepairshop.com>.

Auto Body Collision Repair Shop states that they have been providing quality auto body repairs after collisions for more than 40 years. The company has a number of branches throughout the nation and carries an A plus rating with the Better Business Bureau. They state that their new location in Odessa is likely not the last branch that they will open to better serve their customers, as they have grown substantially since their first repair shop opened all those years ago. Those interested in learning more can visit them online or view their rating and reviews on the Better Business Bureau website.
