January 26, 2017

January 26, 2017 -
Jacksonville, Fla. ? Express Employment Professionals, a leading staffing agency in West Jacksonville, FL, is developing new methods to broaden the expanse of the job market in the New Year.

The holidays have come to a sudden stop and the workers of Grand Forks are ready for another year of success. Express is afraid, though, that a number of the residents in the community may be suffering from a lack of funds after a pricey Christmas and New Year?s Day. Now the need to conquer career challenges is more widespread than before, but the Express team is ready to assist.

Express West Jacksonville Owner Michael Brady said, "We?ve got a lot of innovative ideas to implement this year with plans to revitalize and stimulate the local job market."

To ensure that 2017 will be a special year full of employment solutions, Express must connect with the community and identity the main problems affecting career decisions in the area. Being one of the top staffing agencies in West Jacksonville, FL, the Express team is anxious to tackle any projects in the near future, whether it?s assisting job prospects with resumes or collaborating with local businesses on staffing

opportunities.

"We're reexamining the way we do things so our services can be more efficient, which enables us to do a better job of matching quality employees and work in our community," Brady said.
