January 29, 2017 - PRESSADVANTAGE -

Best Seller Publishing announces the release of James ?Jazzy? Jordan?s new book, Health is Wealth: How to Live Without Cancer, High Blood Pressure, Diabetes, Obesity, and Heart Disease, Where You Feel Good All the Time and Have Plenty of Energy. It will be available for free download in the Amazon Kindle Store on January 30th.

Health is Wealth is about how to live a healthy life without Cancer, High Blood Pressure, Diabetes, Obesity, Heart Disease, and feel good all the time with plenty of energy. Within the first few pages, one will begin to reap the benefits the author has packed into this book. For example, people will learn about healthy eating, controlling blood pressure and weight, and how to look great and grow old gracefully.

Health is Wealth is written to cater directly to those who wake up everyday in pain, and are on several different types of medication. The author?s goal is to remind readers that wealth is nothing without health. So, Jordan says those who are sick and tired of being sick and tired need to get this book; it will instruct on how to get good health as well as how to keep it.

Health is Wealth by James "Jazzy" Jordan will be free and available for download on Amazon for 5 days (01/30/2017 - 02/03/2017) at: <https://www.amazon.com/dp/B01MT6I6EY>. Health is Wealth has a 4.9-star rating on Amazon.com. Here's what some people are saying:

"As a healthcare professional one will find this book to be insightful and thought provoking, and it will compel one to value their body as a precious temple. This well written book will challenge readers to re-examine what they consume in 2017 and beyond. It's not only changing what one consumes but presents them with a new lifestyle that will allow them to achieve ultimate wealth which is one's health." - Oscar I.

"Health is Wealth by James "Jazzy" Jordan is a great resource for anyone interested in maximizing their health. Well written, interesting and informative; it goes into great detail about the power and importance of good nutrition and how and why the foods we eat have an overall affect on our bodies and what should be done to promote a healthier lifestyle through diet. Easy to read and understand; it is a must read for anyone looking to make positive changes to their overall health and well-being." - Miller C.
