

HotelsDifferently, LLC. Announces Launch of Official Website

January 31, 2017

January 31, 2017 - PRESSADVANTAGE -

HotelsDifferently, LLC., a Las Vegas, Nevada based company offers luxury discount hotels and cheap flights. The company was founded after extensive research in the travel industry and it has been proven to be an extremely valuable tool for travelers looking for the best travel deals.

"Our goal is to help people like you to get the accommodation you may have only dreamed of before," says Dr. Szilard Nathan Vegas, Founder and CEO of HotelsDifferently.com.

The company is accredited by IATAN, the International Association of Travel Agents Network, and provide their customers with around the clock live phone support, even on weekends and holidays.

The website enables people to save money by connecting them with wholesale hotel prices. Even when compared to major hotel booking sites this might be one of the most cost-effective tool out there.

The company states that they regularly publish the newest coupons, even from competitor sites, because they want their customers to have the best travel deals, even when dealing with another company. The new

coupon section is regularly updated to ensure maximized savings, and the company has been constantly adding new products to the site.

HotelsDifferently.com is a membership based website and is currently offering free membership for a limited time. The company states that on June 1, 2017, they will have an additional wholesale supplier built into the site which will provide ultimate savings to customers, with more than 225,000 hotels in total.

The company is an affiliate of an airline aggregate supplier that offers exclusive benefits on select flights in case of flight changes or delays for travelers. Travelers interested in learning more can do so on the company's official website at <https://www.HotelsDifferently.com>.
