

Terence Gross Graciously Honored on the 2017 Florida Super Lawyers List

January 26, 2017

January 26, 2017 -
Destin, Fla. ? Terence Gross, a Destin personal injury attorney, has been recognized as a part of the 2017 Florida Super Lawyers list. Gross? unrelenting effort and drive to enhance his practices made him a promising selection for this year?s list.

The Florida Super Lawyers list is the prime indication of the lawyers in Florida who exhibited impeccable quality in their work. Every year, roughly five percent of attorneys are chosen to be placed on the list, making the chances of being picked almost impossible. Fortunately, it was clearly evident that Gross? work deserved to be honored after a successful ending to 2016.

?Receiving the news about making the list was a surprise unto itself!? Terence Gross said. ?I always work hard to make sure my clients are happy and being honored for that makes my job even more special.?

As gratifying as it is to be selected to the Florida Super Lawyers list, it can be even more rewarding for a business. Selection to the list allows for an added third-party mention of a company as well as an extended network of referrals and a positive influence on hiring decisions for consumers examining law firms in the

area. Gross? selection to the list will now allow him to truly become one of the leading personal injury and wrongful death attorneys in Destin, FL.

?We have to continue enhancing our practices here at Gross & Schuster if we plan on making an impact in the community, and making the list again in 2018,? Gross said.
