Terence Gross Makes Florida Super Lawyers List for the New Year

January 26, 2017

January 26, 2017 - PRESSADVANTAGE -

Mary Esther, Fla. ? Terence Gross, a personal injury and wrongful death attorney in Fort Walton Beach, FL, has made this year?s Florida Super Lawyers list. Choosing Gross to be a part of the list was easier than ever thanks to his non-stop efforts to improve his business and practices.

The Florida Super Lawyers list, which is revealed at the beginning of each year, is the keystone of the lawyer database in Florida. The list provides a selection of the top five percent of lawyers in Florida, each proving their expertise in law on a consistent basis. Being picked is rare, but since Gross exhibited unbelievable qualities in his practices last year, he was destined to be chosen.

?It?s definitely an honor to be a part of such a magnified list of experienced lawyers,? Terence Gross said. ?I take my craft seriously and am glad to see that my efforts are being recognized.?

Although it is quite rewarding to be selected to the Florida Super Lawyers list, it?s even more fulfilling to see what it can do for a business. The list provides a third-party validation of a law office?s practices, an expanded network of referrals, and even assists consumers when choosing the best attorney to hire for a

case. Now that Gross has made the list, he can further build his network of services and continue making an impact as a leading personal injury attorney in Fort Walton Beach.

?I understand that being part of this list means more than just being a great lawyer in Florida,? Gross said. ?It shows that I?m willing to go above and beyond with my practices. And that, above all else, is true.?
