Star Infiniti who sell their products on the number one online marketplace Amazon.com are happy to announce that their ceramic knife set has reached a milestone of 60 reviews.

"We are happy that our ceramic knife set, the first product we launched on Amazon, was received positively by consumers and the product reviews we received are outstanding," says Esther, a representative of Star Infiniti.

Esther states she did not expect the product to be positively accepted by consumers of the Amazon marketplace. But within a few months of being released, the product has been selling very well. "Overall, the company is pleased with the sales as well as delighted with the positive feedback we have received from customers," she added.

The ceramic knife set has a total of 62 reviews with a 4.5 rating in general on Amazon's review scale. The

ceramic knife set comes in three solid colors with matching blade covers for safety, a feature that consumers loved.

Star Infiniti's ceramic knife set are made of high quality colorful knives that would fit in any kitchen cutlery or utensils drawer and will surely stand out. The knives are ultra sharp based on a restaurant standard with sheaths that maintain their sharpness longer than the stainless steel blades.

The consumers get a lot more when they buy a ceramic knife set. Aside from the matching blade covers, it also comes with cutting board grips for a non-slip experience while slicing. And it does not stop there, the set now includes 5 bonus recipe e-books that are delivered digitally to customers after purchase. Recipes vary from breakfast, lunch and dinner.
