January 27, 2017 -
Milton, Fla. ? Terence Gross, a personal injury and wrongful death attorney in Milton, FL, is excited to be mentioned as a member of the 2017 Florida Super Lawyers list. After a long year of steady improvement and gracious results, Gross is honored to be ranked amongst the top lawyers in Florida.

The Florida Super Lawyers list is the famous yearly listing of the top five percent of lawyers in the state. Each lawyer mentioned has proven themselves in a multitude of cases and showed confidence in their practices within the communities they serve. Being selected is an obstacle itself, but after countless instances of success, Terence Gross proved worthy as an inductee to the list.

?Our team and I challenged ourselves to produce the best results for our clients in 2016, so I believe that this induction onto the Florida Super Lawyers list is a good representation of our work,? Terence Gross said.

The list is not only the prime indicator of a lawyer?s commitment, but also can be a driving factor for business growth. Being placed on the list allows a lawyer?s firm to be recognized by a third-party, which is pertinent when trying to build relationships with clients.

A decent amount of exposure can even lead to a larger referral network for a lawyer and positive influences on consumer decisions when hiring attorneys. All the elements that come with being selected to the Florida Super Lawyers list will truly help accomplish Gross? goal of being the leading personal injury lawyer in Milton, FL.

?I?m excited to see how many new people I can help this year and how many new tactics I can instill into my current practices,? Gross said.
