Terence Gross Selected to the 2017 Florida Super Lawyers List

January 27, 2017

January 27, 2017 -
Crestview, Fla. ? Terence Gross, a personal injury and wrongful death attorney in Crestview, FL, has been honored as a key member of the 2017 Florida Super Lawyers list. Gross? hard work, attention to detail, and dedication to his practice made him a prime pick for this year?s list.

The Florida Super Lawyers list is the premier database of the lawyers in Florida who exhibit excellence in their field. Each year, only five percent of lawyers are picked to be mentioned, making the chances of being chosen slim to none. The work ethic and determination that Terence Gross exhibited throughout the year were a clear indication for his calling on the Florida Super Lawyers list.

?I was amazed and honored to receive the recognition,? Terence Gross said. ?I strive to enhance my practices every year, so it feels good to be a part of something like this.?

Induction to the Florida Super Lawyers list not only is rewarding but also great for business. Selection to the list adds an extra third-party mention of the company, helps grow an attorney?s network of referrals, and even helps influence consumer hiring decisions when it comes to picking the right law firm. Now that Gross has made the list, he can grow his business in ways never imagined and really prove himself as one of the top personal injury lawyers in Crestview.

?I want to keep doing what I do best which is helping the citizens of Crestview in some of their roughest times,? Gross said. ?Making the Florida Super Lawyers list is just icing on the cake.?
