January 30, 2017 -
Irving, Texas - Express Employment Professionals, a top employment center in Irving, TX, is expecting a variety of employment solutions to surface in the Irving community this year.

Following a joyous New Year?s celebration, the workers in the Irving community are prepared to get back to work with hopes to revitalize Irving?s economic situation. Although the holidays came with numerous expenses, the residents of the community understand that Express is working tirelessly to help get money back into the wallets of the people.

?We?re glad that the citizens in our community enjoyed the holiday break as much as we did." Express Irving Owner Mike Overby said. "But now it?s time to get back to work and push Irving?s economy to a higher level than ever achieved before.?

The annual goal of Express is to put a million people to work. It?s a big goal, but as one of the top temp agencies in Irving, TX, the Express team is equipped for the job. Locating candidates, staffing companies, and tackling the unemployment rate will, in Express? opinion, be the ultimate key to success in 2017.

?The last thing we want to do is wait around for things to happen,? Overby said. ?We have to get out there now, communicate with our workers, and find the underlying cause of the employment issues in the area. Only then can we strive to make a difference.?

The Irving Express office is located at 4070 N Belt Line Rd., Ste. 126, Irving, TX 75038 and serves the Irving area. Local businesses and applicants are encouraged to stop by, visit www.expresspros.com/IrvingTX or call (972) 200-3037.
