

GlobalParts Group to Showcase Products at Aero Expo Panama Pacifico in April

January 31, 2017

January 31, 2017 - PRESSADVANTAGE -

Panama, Republic of Panama -- GlobalParts Group (GlobalParts.aero) will be exhibiting for the first time at the Aero Expo Panama Pacifico (#AEPP17, AeroExpo-Panama.com) to be held in Panama in April 2017.

Team members had attended last year's event (the first annual Aero Expo Panama Pacifico event) and noticed that many customers and potential customers were attending, and made the decision to exhibit in 2017.

No stranger to the Latin American market, GlobalParts also exhibits at LABACE in Brazil and the Aero Expo and CIAM, both in Mexico.

GlobalParts is widely known as a dealer for the HOT-STOP ?L? EVO Fire Containment Kits, recently in the news as a solution for consumer electronics that may pose a risk of fire in flight. In September 2016, the FAA issued a warning against using the Samsung Galaxy Note 7 smartphones on aircraft. Small, powerful lithium

batteries in other portable consumer electronics have also been noted as a fire risk.

The company also supports aircraft that are very popular in the Latin American market. GlobalParts is responsible for planning, stocking, and parts distribution for the Learjet 20, Learjet 30, and Learjet 50 series. Approximately 2,000 Learjet 20, Learjet 30, and Learjet 50 series aircraft were produced from the 1960s into the early 2000s, with the majority still in service.

Ralph Garcia will be attending as the GlobalParts.aero outside Sales Representative for this region. Garcia will be highlighting the unique capabilities that make GlobalParts a one ? source aviation parts solution and looks forward to meeting attendees at this event.

About Global Parts Group

The GlobalParts Group of companies, founded in 2003, serve the worldwide aviation spares market with quality aircraft part through their ISO AS9120A and ASA-100 accredited distribution, two FAA certified Part 145 Overhaul and Repair stations, and their ISO AS9100C build to print manufacturing facility. Supplying factory-certified parts for aircraft from piston through regional jets, GlobalParts.aero can support any aviation need. With a specialty in corporate aviation support, we carry an extensive inventory covering Beechcraft, Hawker, Learjet, Challenger, Global, Citation and Embraer. GlobalParts is also known for its 24-hour AOG and guaranteed same day shipping. www.globalparts.aero

About Aero Expo Panama Pacifico

The first annual Aero Expo Panama Pacifico was held in Panama City in 2016. AEPP is the only aviation exposition of its kind between Mexico and Brazil.

Its purpose is to become the most relevant trade fair and marketing forum in Latin America for business aviation.

The first event included a wide, diverse and growing market for business aviation products and services;

indoor and outdoor exhibits and displays, as well as educational seminars. Events included a panel discussion on finance and legal aspects of business aviation and a panel discussion on the future of business aviation in Panama and the region.

For all enquiries and more information about this event, please contact: AEPP ? Panama Tel: +507 6408 1983, Email: yb@aeroexpo-panama.com Find us on Twitter: @AeroExpoPTY

Interviews and high-resolution photographs are available on request.
