March 21, 2017 - PRESSADVANTAGE -

Guardian Plumbing and Gas Services, a business in Burnley, Victoria, Australia, has announced that they have opened a new office in Fairfield, Victoria. From this new location, they will be delivering the same high quality services that they have become respected for, only to a wider geographical region. Full details about the services they offer and the areas they cover can be found on their website at guardianplumbing.net.au/.

Scott Berkefeld from Guardian Plumbing and Gas Services says: "Whether it's a private home, rental, or owners corporation properties, restaurants, cafes, bars, or a corporate business, we are Melbourne's first choice for plumbers. We provide a wide range of services, and we are happy to have been able to expand our area of operation so that more people can make use of our services."

The company is a family owned business, and this shines through in the personal attention that they give to each of their clients. They always strive to make customer satisfaction as the number one priority. They even guarantee all of their work and will come back for free if the job has not been completed as expected by the customer. With the Guardian Plumbing Google map Fairfield residents can check to easily find the office.

The dedication to service that the the company provides each of their clients is evident in the wealth of positive reviews that they have received. "Prompt service," says Mag D. on the company's page in Facebook. "Scott was very patient on the phone as I attempted to explain the difficult set up of the unit I was in (I wanted a new outdoor tap installed). Zac came and did a brilliant job. Meticulous and neat handiwork. Will definitely be recommending your services to my friends."

Guardian Plumbing and Gas Services aims to set themselves apart through their 100% satisfaction guarantee, being available 24/7, and through their experience, professional attitude, dedicated tools, and customer service. Indeed, it is this approach that has made them the go to plumbing company in the Melbourne area, and now, with the new location, even beyond. Those who need more information can check out the company's Facebook page.
