June 13, 2015 - PRESSADVANTAGE -

Family Tree Home Buyers Inc., a Las Vegas-based real estate investment and solutions company, offers homeowners the opportunity to sell their houses direct for cash, without realtor fees.

The company was built by a group of experienced real estate investors and brokers. Family Tree Home Buyers Inc. is unique among other real estate companies in that the homeowner is not required to pay sign up fees and upfront costs, and each transaction is done through cash payments. Family Tree Home Buyers Inc. are property acquisition specialists who buy houses without commission.

The company accepts all types of houses in any condition, area, price range, or situation. Repairs may not be needed from the homeowner. Family Tree Home Buyers accepts properties such as single-family homes; small multifamily properties such as duplexes, triplexes, and 4-unit properties; apartment buildings; office buildings; industrial real estate; hotels; retail property; and vacant land and lots.

The process works by first completing a no-obligation Property Information Form. All information is held confidential by Family Tree Home Buyers Inc. Within 24 hours, a real estate solutions specialist from Family Tree Home Buyers will contact you for additional information or to inform you of the status of your application. Family Tree Home Buyers will research your property and quote a price offer for you over the phone, or through meeting schedules.

Family Tree Home Buyers Inc. also has a referral program wherein you as the homeowner can refer a property that the company may want to buy. All you do is to provide information regarding the property, and the company will do research and make an offer. In some cases, the referral fee can reach up to \$1,000 per referred property.

The company also provides free consultation with homeowners regarding bankruptcy, short sale, loan modification, FSBO, and any sort of home-related and real estate issues.

Family Tree Home Buyers Inc. can also assist homeowners who wish to buy a home. The process begins by getting pre-qualified for a mortgage. The pre-qualification process allows for the company to have an idea of the price range that you are capable of, as well as gauging factor for house matching and finding the best deals for you.

Pre-qualification may require you, the homeowner, to provide a lender with information on your income, assets, and debt status. Family Tree Home Buyers Inc. can make arrangements to get you a lender should you wish to buy a home. They have access to house-for-sale or rent-to-own listings around Las Vegas and surrounding areas.

Family Tree Home Buyers Inc. also accepts applications for property listing for any of your properties that you wish to sell. The company will then connect you with a licensed agent that they recommend.
