February 13, 2017 - PRESSADVANTAGE -

Fresh Coat Painters providing house painting services in Dallas, GA, is proud to announce that they have launched their 100% Happy Guarantee. The company believes that people are entrusting them with their most expensive possession: their home. Such trust is something that the company takes very seriously, which is why they guarantee 100 percent satisfaction with the work that they provide.

"I understand people are afraid of being taken advantage of, paying too much and/or ending up unhappy with a horrible, ugly, embarrassing paint job. Some painters hold the home owner hostage and not caring about their schedule, not concerned about mess or clean up, end up disrespecting the property and their privacy," says owner Alex DeLeon. "It's my opinion that you hire a professional painter for a reason, and you should be 100% happy with the process and the end results. My 100% Happy Guarantee is: I promise, when you hire me to do your painting I will make you happy and satisfied with the final results. Bold statement? Yes, and I guarantee it. (No tricks or disclaimers. You pay me when the job is done and you are 100% happy and satisfied.)"

The guarantee offered by Fresh Coat Painters of Dallas is quite unique to the industry. While it is not unheard

of for painting companies to offer some sort of guarantee, this usually involves little else than putting on another coat of paint if people aren't quite happy. Fresh Coat Painters of Dallas, GA, however, are the only ones that will provide people with a quote for their work, and who won't expect to get paid until the work has actually been completed, to the satisfaction of their client. If this means multiple coats of paint are required, this will be done at no extra cost to the client.

Considering this, it is quite easy to see why this company is known as the best painting company Dallas GA has to offer. In fact, they have received numerous positive reviews on a range of different channels. "Freshcoat (Alex) handled painting my mother-in-law's kitchen and our exterior of our house," says Kirsty W. on Facebook. "They did an incredible job, they are professional, prompt and we will definitely use them again. We referred them to several people."

As the only 5 Star-Rated painting company around that offers a 100% Happy Guarantee, and actually puts that in writing, they are quickly becoming increasingly popular.
