February 07, 2017 - PRESSADVANTAGE -

DUBLIN, OHIO ? Capital Health Home Care in Dublin Ohio has received the highest possible rating for quality of care according to Centers for Medicare and Medicaid Services (CMS). CMS ranked Capital Health Home Care in Dublin as a five-star agency for quality of care in January of 2017. This designation highlights Capital Health Care Network's commitment to excellence in care, and ranks Capital Health Home Care in Dublin in the top 3% of Medicare-certified home health providers in Ohio.

Lisa Stockdale, VP for the Home Care & Hospice Division at Capital Health Care Network, attributes the success to a standard of excellence. ?We reached for the stars?all five of them. This new designation makes us the only home health care provider in Columbus with five stars. It?s a claim none of our competitors can make. We don?t expect to continue to be able to stand alone in this category but it sure is quite the accomplishment,? said Stockdale.

CMS ranks home health care providers quarterly, using a 5-star quality system, and publishes side-by-side comparisons of clinical outcomes and patient experience. Consumers can view these reports at www.medicare.gov.

Capital Health Home Care in Dublin is one of sixteen senior care providers belonging to Capital Health Care Network serving Ohio and West Virginia for thirty years. In addition to home care, the network offers options for senior care including assisted and independent living, skilled nursing and rehabilitative care, out-patient therapy, and hospice.
