Best Seller Publishing To Host Million Dollar Author Summit

February 14, 2017

February 14, 2017 -
Best Seller Publishing (BSP), based in Pasadena, CA, is proud to announce that they will be hosting the Million Dollar Author summit to be held on March 10 and 11, 2017, from 9 am to 5 pm. Over the course of this two day event, BSP founder and CEO Rob Kosberg will walk attendants through the seven components of their Publish Promote Profit system. Additionally, they will be able to network with like minded authors, and meet members of the BSP staff. Details about the event are available through https://milliondollarauthorsummit.com/event.

Rob Kosberg himself says: "Our system is simple: publish your foundational work, promote it to become a best selling author, and profit by becoming hunted. I will take the opportunity during the Million Dollar Author summit to run people through the seven elements involved in this system, providing people with the chance to become best selling authors. I look forward to meeting everybody there, and to share experiences and thoughts."

The Million Dollar Author summit is completely free to attend. There is also no need for people to be a member or a client of the BSP. However, for a $97 price, attendants can obtain a VIP guest ticket. This will

entitle them to a special dinner with Rob Kosberg, giving further opportunities to learn and network. Full details about BSP and what they do are available on their website at http://bestsellerpublishing.org/.

"My goal with the Million Dollar Author Summit (MDAS) is to show you (side-by-side with me in the trenches) how to publish, promote and profit from your own best selling book," adds Rob Kosberg, "so that you can dramatically increase the income that you earn and the impact you make on the world, and have the independence that being a thought leader deserves."

The event will be held at LAX Westin in Los Angeles, CA. People are encouraged to register for the event as soon as possible. Places for the event are limited, and even more so for the VIP guest tickets, which are selling out rapidly. Those who have attended previous events have stated how much they have benefited from it.
