

Senior Move Manager Offers Free Senior Living Seminar In Mililani, Hawaii

February 16, 2017

February 16, 2017 -
The Ihara Team, which manages senior move specialists operating in Honolulu, HI, is proud to announce that they will be presenting their latest development, The Complete Solution, in Mililani. The company regularly hosts free seminars on senior living options, as shown on their website at http://iharateamhawaii.com. The Complete Solutions is their latest seminar, and it is set to be very well attended. The event will take place on February 22, 2017 from 6.30pm to 8pm at the Mililani Rec Center #6, 95-1010 Konaku Street.

Dan Ihara, co-founder of The Ihara Team, says: "We are really looking forward to our upcoming event. It gives us the opportunity to network with people and providers across Mililani and to work on providing elderly people with the opportunity to live their life in a dignified manner, in comfort and safety."

The Ihara Team, of Keller WIlliams Honolulu, has developed The Complete Solution in order to help clients downsize and transition to move while de-cluttering at the same time, or to help them de-clutter their existing homes so that they can remain there in safety and comfort. As senior move specialists, they have worked

with more than 700 different families, in an effort to make sure that they can live their golden years in comfort and safety. To attend the seminar, people can contact Julie Ihara on 808-201-1006, or visit the Senior Move Management website at https://slomililanifeb.eventbrite.com/.

The Ihara Team is keen to work with individual people, including the elderly or their carers, but equally so with investors, sellers, and buyers. In fact, specialists regularly attend the educational seminars hosted by The Ihara Team in order to receive more information. The seminars, which are free to attend and include food and refreshments, are open to anyone, and the team also offers free market valuations on request. It should be noted that the events have quickly grown in popularity, and spaces are limited.

As shown on http://www.smmhawaii.com/, the company has helped many people achieve a comfortable way of living. "Many sincere mahalo for the expertise and service provided by the Senior Move Managers LLC," says Florence N. on the website.
