

The Ihara Team To Discuss Living Options For Seniors In Mililani Seminar

February 16, 2017 -

Senior living in Hawaii is a significant social concern. Many elderly people struggle to remain in their own properties, often because they have too many belongings and clutter, resulting in homes that are uncomfortable and unsafe. In some instances, people are able to remain in their own property after de-cluttering, whereas others have additional needs and this means moving to an assisted living facility is more appropriate. The Ihara Team has announced that they will be bringing The Complete Solution, a free seminar, to Mililani, Hawaii, to address such concerns. Full details on the seminar are available on their website at http://iharateamhawaii.com.

Julie Ihara, co-founder of The Ihara Team, says: "We are happy to launch our latest free seminar. It will take place on February 22nd at the Mililani Rec Center #6 at 95-1010 Konaku Street from 6:30 pm to 8:00 pm. I encourage everyone to contact me on 808-201-1006 to RSVP their place, as spaces are limited."

The Ihara Team of Keller Williams Honolulu has been in the business of senior assisted living for over seven

years. In that time, they have helped at least 700 families to downsize, de-clutter, and, where necessary, transition into more appropriate housing. Their regular seminars are open to the public, and they are popular not just with the general public, but also with buyers, sellers, and investors. This is why at this event, they will also offer free valuations on request. Tickets can also be booked through https://slomililanifeb.eventbrite.com/.

Dan Ihara, the other co-founder of The Ihara Team, says: "We are really looking forward to this particular seminar, and places are running out quickly. Our goal is to ensure that everybody is able to live comfortably and safely, be that in their own home or in an assisted facility. Anyone who is interested in senior living, be that for themselves, for a loved one, or as an investment opportunity, is encouraged to attend. Free food and refreshments will be provided as well."

Those who have worked with the company in the past have been incredibly grateful for the services that they have received. "A difficult job was done quickly and professionally," says Henderson on the website at http://www.smmhawaii.com/. "The team was cheerful and helpful at all times."
