

Ora Fiduciary Celebrates 10 Year Anniversary

February 21, 2017

February 21, 2017 - PRESSADVANTAGE -

Ora Fiduciary (Cook Islands) Limited offers information about its upcoming anniversary. Ten years of doing business as a Trustee Company in the Cook Islands will be celebrated on February 22, 2017.

Avarua Rarotonga, Cook Islands: Ora Fiduciary (Cook Islands) Limited are pleased to announce that their 10th Anniversary will be celebrated on February 22, 2017. The company's core business is asset protection. There are several unique features which make the Cook Islands the gold standard for asset protection. The company website identifies some of the features which makes a Cook Islands trust an attractive option for holding investments.

An asset protection trust is an ideal vehicle with which to preserve and protect assets against risks arising from ownership of such assets. There are significant advantages to investing through or holding assets in a Cook Islands Trust including personal privacy. Cook Islands trust legislation has served as a model for other asset protection jurisdictions including those within the USA. The islands have strong judicial precedent which supports asset protection legislation.

The Cook Islands are located in the South Pacific south of Hawaii. It has a highly developed business infrastructure, a well-educated English speaking labor force, sophisticated telecommunication links and convenient air services.
