

Jordan Furniture Marks 64 Years In Business

February 21, 2017

February 21, 2017 - PRESSADVANTAGE -

Jordan Furniture offers more than 50,000 square feet of showroom space. The company has been operating for more than six decades.

Florence SC: Jordan Furniture and Spencer Jordan are pleased to announce that the store and showroom has marked 64 years offering top quality furniture to residents of the Florence area. The furniture company is one of the largest independent furniture dealers in the Southeast. Since 1953, the firm has been providing quality, value, selection and services on name brand home furnishings and bedding. The showroom space encompasses more than 50K square feet with several top brands included in the inventory.

The furniture stores in Florence SC offers a La-Z-Boy Comfort Studio, Broyhill Home Furnishings Gallery and one the largest Serta Bedding Galleries in the Carolinas, as well as many other name brands. These, make Jordan Furniture a "must shop" for home furnishings or bedding purchases. In addition to the inventory at the showroom, Jordan's ships nationwide with competitive rates on in-home delivery to most areas within the United States.

Spencer Jordan explained in a recent interview, "Our friendly staff is ready and willing to help you in any way necessary in your furniture shopping experience. At Jordan Furniture, we carry only the top names in the furniture industry. Our furniture experts can help you track down any piece and look you are going for. Living room furniture is not our only specialty either. We carry a full line of dining room furniture as well."

The company has one of the largest selections of name brand furniture in the Carolinas. They include La-Z-Boy, Broyhill, Serta, Legacy, Universal, Kincaid, Hooker Furniture, Vaughan-Bassett and Smith Brothers, as well as others. All are on display for immediate pick-up, delivery or special order. The company is a member of Furniture First Buying Group, which provides customers with customized options and attention, but with the buying power and low prices of a national chain. With American Made solid wood furniture and upholstery, customers can get the look they want at an affordable price.
